Composition of IQAC Members (AY 2022-23)

To sustain the quality of all the academic processes and outcomes with continuous improvement, Internal Quality Assurance Cell (IQAC) established at the college level shall regularly monitor all the academic operations as per the academic regulations and SOPs set for each of the various processes. Towards realization of the goals of quality enhancement & sustenance, IQAC Cell with external members nominated from universities of repute shall conduct academic audits annually while internal academic audits will be done every semester.

Objectives:

- To reach the institute's vision through the collective efforts of its team by striving hard in all the possible dimensions to create the bench standards.
- To develop a system for conscious, consistent & catalytic improvement in the overall performance of the institution.

Functions:

Some of the functions of the IQAC are:

1. Identification of the KPIs for various academic and administrative activities of the institution
2. Enabling and creating of a learner-centric environment and faculty capacity building towards the adaption of technology-integrated teaching-learning processes
3. Inviting feedback from the stakeholder (students, faculty, parents, industry, and employers) for continuous improvements
4. Dissemination of the KPIs and status to all the stakeholders
5. Organization of inter and intra-institutional workshops, seminars on quality-related themes, and promotion of quality circles
6. Documentation of the various programs/activities leading to quality improvement
7. Acting as a nodal agency of the Institution for coordinating quality-related activities, including the adoption and dissemination of best practices
8. Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality indicators
9. Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and quality metrics of the various accrediting agencies
