

GMRIT IT Policy: Undertaking & Affidavit

I Mr/Ms _____ Branch: _____ bearing
the Roll Number/Pern Number: _____ and being a primary stake holder of the
institution (Student/Alumni/Staff) solemnly agree and believe that in the current modern
digital Era Internet, Social Media, Messaging, Blog writing are the powerful tools that
supplement & complement the education system towards overall development. Also believe
that any abuse of these tools and facilities by the stake holders may have contradicting effect
and damage the reputation of the institution and also tarnish the image in the community.
To safe guard the institutional interest within the limits of right to expressions, with the true
spirit and agreement towards the development of the institution,

I hereby execute the following undertaking...

1. Shall use only my official email/personal email id with proper affiliation in all my official communications made with the stake holders
2. Shall not share any official information to any un-authorized persons/parties who may likely misuse and damage the reputation
3. Shall not communicate and share any intuitional information to any of the external agencies without formal approval from the concern authorities
4. Shall not post any sort of comments in any of the social medial websites, send messages in the groups, Update the staus and write Blogs commenting sarcastically on the institution policies directly or indirectly which may have impact on the reputation
5. Shall not follow, respond or like the posts in any of the social media websites that are made against the institution directly or indirectly tarnishing the image of the institution
6. Shall not forward or share any un-authenticated information or comments that have impact on the reputation on the institution directly or indirectly
7. Shall use the formal communication channels to raise any grievances that I have from my side following the protocol
8. Shall not install and use any Pirated software applications/Spywares in the labs and laptops on campus for the academic or research purposes
9. Shall not try or attempt to Hack systems on LAN/Bypass the fire walls/Trespass by cracking the passwords/login with the un authorised credentials
10. Shall register my Laptop/Desktop on GMRIT LAN support and get the doming login credentials from the IT support team
11. Shall access to the campus internet only with my registered device and login credentials
12. In case of violation of any of the above said conditions, I shall abide by the actions taken by the institution which could be even as severe as legal action
