

## **GMRIT – Global Alumni & Outreach Activity Report**

### **GMRIT Successfully Conducts First USA Alumni Meet at Dallas – 15th November 2025**

GMR Institute of Technology proudly organized its **first-ever International Alumni Meet** in the **United States** on 15th November 2025 at Dallas, Texas. The event received an overwhelming response, with 50 alumni from in and around Dallas joining the gathering.

Dr. C.L.V.R.S.V. Prasad, Principal, GMRIT, attended the meet in person, while the Director, Academic Heads, and Alumni Coordinators participated online from India. The three-hour event (7:00 PM to 10:00 PM) provided a vibrant platform for alumni to reconnect, network, and share their professional journeys and cherished memories of GMRIT.

A special highlight of the event was a **video message from GMR Group Chairman, Sri G. M. Rao**, addressing the alumni community. His inspiring words and appreciation for their achievements were warmly received, creating a sense of pride and motivation among the participants.

A special presentation showcased the institute's 28-year progress, covering major achievements, accreditations, national rankings, research and development activities, student intake growth, and Centre of Excellence. The Director and Principal addressed the alumni, commending their contributions and encouraging them to support current students through mentoring, internships, placements, and industry connect initiatives.

A key highlight of the event was the formal launch of the **GMRIT USA Alumni Chapter**, with the following office bearers:

- Mr. Hari Krishna – President
- Mr. K. Sai Raj – Vice President
- Mr. Pavan – Secretary
- Mr. Mohan Krishna – Joint Secretary

This milestone initiative marks the beginning of a stronger global network, enhancing GMRIT's international outreach and fostering long-term alumni engagement worldwide.
