

Doctor of Philosophy Admissions 2026-27(1) Final Results

The merit list has been prepared strictly in accordance with the UGC Regulations governing admissions to the Doctor of Philosophy (Ph.D.) programme. The final merit of each candidate has been determined by assigning 70% weightage to the qualifying examination score (GMRITDU RCET-2026/UGC-NET/APSET/APRCET, as applicable) and 30% weightage to the candidate's performance in the interview. Ph.D. admissions will be allotted department-wise based on the availability of seats in the University and strictly in accordance with the finalized merit list prepared as per the prescribed UGC Regulations.

Instructions:

Based on the availability of Ph.D. seats in each department and the finalized merit list, the provisional selection of candidates is as follows:

- 1. Departments of Civil Engineering:** All eligible candidates who appeared for the interview have been provisionally selected for admission to the Ph.D. programme.
- 2. Departments of Electrical and Electronics Engineering:** All eligible candidates who appeared for the interview have been provisionally selected for admission to the Ph.D. programme.
- 3. Departments of Mechanical Engineering:** All eligible candidates who appeared for the interview have been provisionally selected for admission to the Ph.D. programme.
- 4. Department of Electronics and Communication Engineering:** The first 10 candidates (Ranks 1 to 10) in the merit list have been provisionally selected for admission to the Ph.D. programme. The next 5 candidates (Ranks 11 to 15) have been placed on the waiting list. In the event that any of the provisionally selected candidates (Ranks 1 to 10) fail to complete the admission process within the stipulated time or decline the admission offer, the resultant vacancy(ies) will be filled from the waiting list strictly in the order of merit.
- 5. Departments of Mathematics:** All eligible candidates who appeared for the interview have been provisionally selected for admission to the Ph.D. programme.

6. **Departments of Physics:** All eligible candidates who appeared for the interview have been provisionally selected for admission to the Ph.D. programme.
7. **Department of Chemistry:** The first 8 candidates (Ranks 1–8) in the merit list have been provisionally selected for admission to the Ph.D. programme. The next 5 candidates (Ranks 9–13) have been placed on the waiting list. In the event that any of the provisionally selected candidates (Ranks 1–8) fail to complete the admission process within the stipulated time or decline the admission offer, the resultant vacancy(ies) will be filled from the waiting list strictly in the order of merit.
8. **Department of Computer Science and Engineering (CSE):** The first 35 candidates (Ranks 1–35) in the merit list have been provisionally selected for admission to the Ph.D. programme. The next 10 candidates (Ranks 36–45) have been placed on the waiting list. In the event that any of the provisionally selected candidates (Ranks 1–35) fail to complete the admission process within the stipulated time or decline the admission offer, the resultant vacancy(ies) will be filled from the waiting list strictly in the order of merit.
