

STEPCONE-2024

STANDARD OPERATING PROCEDURE

EVENT NAME: Trade Master

DEPARTMENT NAME : IT

EVENT TYPE : Spot Event **EVENT**

DESCRIPTION:

Trade Master is an event where participants will be given currencies to invest on imaginary Stocks that'll be created throughout the session. The participants would be required to analyse conditions of the company and accordingly trade.

- Event session of 4 hours duration divided into 3 rounds.
- In the 1st round every team will be provided with some amount ,with that every team will buy some shares of a company based on the condition of that company.
- In the 2nd round each team will buy the shares from the other teams based on profit or loss of the company.
- In the final round ,company's actual values(profit and loss). The teams with highest amount will be considered as winners and runners.

EVENT GUIDELINES:

Event session of 4 hours

- Round- 1: Providing the teams with some amount(fake currency) and each team will buy some shares of different companies.
- Round- 2: Buying and selling shares among the teams.
- Round-3: Revealing actual share values of each company and calculating the profit of each team.

Team Size: Team must have minimum size of 2 and maximum of 3 members.

PLAN OF ACTION: - Morning session. (4 hours session)

Judging Criteria:

Winners and runners will be declared based on Participants financial standings at the end
